

Ein Keloheinu -

Exalting HaShem as Little Children

*And calling to him a child, he put him in the midst of them and said,
"Truly, I say to you, unless you turn and become like children, you will
never enter the kingdom of heaven. - Jesus*

The *Ein Keloheinu* is a well-known synagogue song that exalts the Lord. It is noteworthy on account of its memorable melody and the easy Hebrew phrasing. One charming custom in Orthodox synagogues is to appoint a child to be the *chazzan* (or cantor) for this song at the end of a *Musaf* (additional) service..
